Large scope projects are susceptible to drainage blocks, and/or diversion, which can impact my property and possibly those of adjacent property owners. Any negative impact will be my responsibility to correct.

____ I acknowledge if my projects inadvertently causes drainage concerns, I will correct those problems at my own cost.

____ I acknowledge if any utility or irrigation lines are damaged due to the improvement I/we make, all the repair cost will be my/our responsibility.

____ I understand that a deposit and review fee may be applicable BEFORE my application is reviewed

____ I understand that any contractors that I employ are not permitted to place signs on my property advertising the business (Exam: pool is built by...)

____ I understand that greenbelt access or adjacent lot access is not granted for construction (ingress, egress or storage included)

____ I hereby agree not to begin any improvements or changes until the Architectural Committee or Reviewer notifies me of their approval

____ I understand that I must call to schedule an inspection no more than 7 days after the completion date of my project (I am responsible for calling this in, not my contractor)

____ I understand that if I do not call in an inspection, I may be subject to forfeiture of my deposit or fines being levied against my HOA account.

____ **I understand there is an \$85 application and review fee for all architectural modifications.**

____ **I understand there is a \$750 fence, \$1000 landscape and \$1000 pool deposit to be paid with submittal and is refundable.**

SPECIAL NOTE-CITY APPROVALS. Many changes require city and or county review and permits. It is the homeowner’s responsibility to obtain all authority’s approvals and permits. Proper authorities should be contacted prior to beginning any work in order to verify what procedures must be followed and obtain required permits. City or County approval does not preclude the need for architectural approval and vice versa.
